☐ Remember me on this computer
[Clear my information](#)

[Join Now](#)

[Join by browser](#) **NEW!**

If you are the host, [start your event](#)

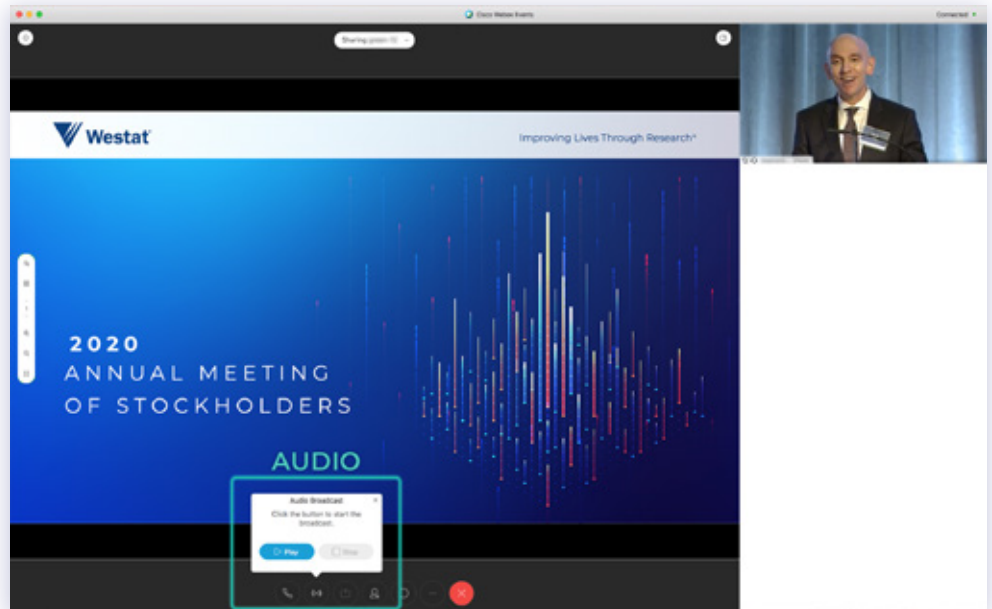

Start the Webex

Just a few minutes prior to the event, or at any time during the event, the “Join Now” button will be active. Enter your name and email address, then select the button to enter the event. The password will be pre-filled (the same password used to enter the website).

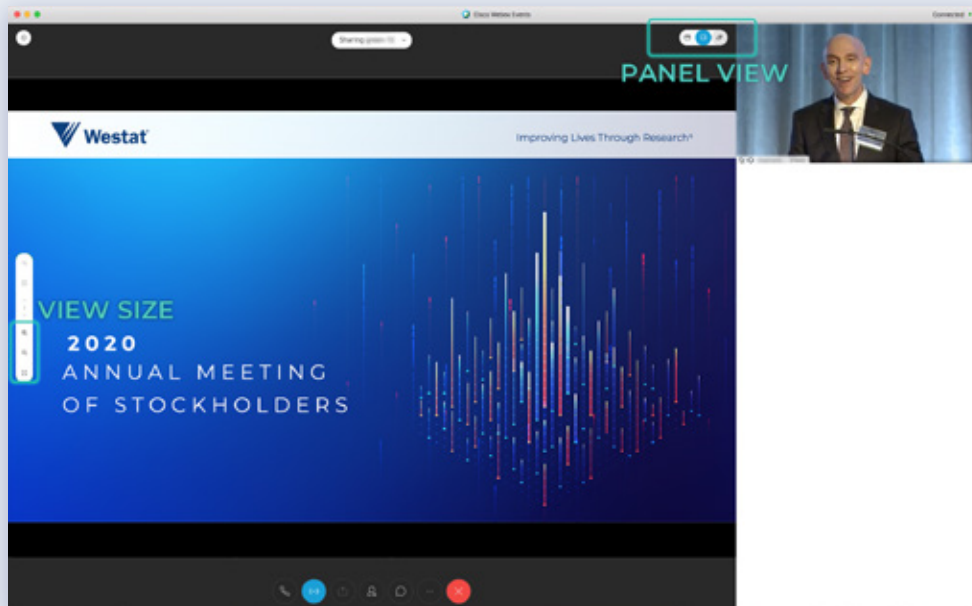

AUDIO

Play, Pause, & Stop

Once you join the event, the audio broadcast button should be active, if not  hover on it to select “Play.” Once the audio is active, you can Pause or Stop the audio at any time.

VIEW

Change Presentation View

For the best viewing experience, hover on the double pane icon to change the view to have the presentation on the left and the speaker on the right. Full screen and zoom options are available in the toolbar on the left.

TECH SUPPORT

Need Help?

For technical support during the event, go to the events.westat.com tab at any time to send a message with a description of the problem, or to access the instructions.
